Justin Fox submitted three quotes for new doors (4 total) at the Probation office.

Doors Equipment - \$21,600.00

Scottsburg Glass - \$15,164.00

Glass Unlimited - \$19,994.00

These quotes do not include the key fob system on the doors. Randy Taggart will have to come and quote this after the doors are installed. Justin said that his recommendation would be Scottsburg Glass and Glass Unlimited. Matt said that if Justin feels that all three quotes are equal then he suggests moving forward with Scottsburg Glass. Shane made a motion to approve the quote from Scottsburg Glass, contingent on council finding the funding. Charlie seconded the motion, passed unanimously.

Matt said that the commissioners have received a letter of support from Comcast. Alex explains that Comcast is applying for a broadband development grant that is administered by the state broadband office. Alex goes on to explain that Comcast is just asking for a letter of support from the commissioners. Matt says that he received a phone call from Frontier also asking for a letter of support. Matt suggests that they issue both Comcast and Frontier the letter of support. Only one of these two companies will get the grant, and Matt says that it is not the commissioner's place to pick and choose which one received it.
